CULINARY CONCEITS.

Fruits, soaked and chopped, make an acceptable addition to fruit cake.

To improve tomato soup always add a squeeze of orange just before serving. Onions should always be boiled in water that has been salted; otherwise they lose much of their flavor.

Boiled carrots, if passed through a potato masher or a sieve and seasoned with pepper and salt, make an excellent vegetable course.

A most delicious fritter is made by chopping cold chicken meat, seasoning it with celery salt and mixing in the ordinary fritter batter. Fry by spoonfuls in deep fat.

Orange frosting for cake is made by grating the rind of an orange and squeezing the juice and a tablespoonful of lemon juice over it. Gradually beat into the mixture confectioner's sugar until the proper consistency is reached.

That Stitch In Time.

Never neglect small repairs. A stitch in time saves not only nine, but ninety. Don't let buttons hang by their last thread, darn small holes, never wear lily or tumbled lace, brush off mud and bind frayed skirts. Fine feathers make fine birds, but never go in for only outside show. Your lingerie, corsets and stockings should be good, if plain, and always carefully kept in order. A clean cotton petticoat is better than a shabby silk one, and the smartest boots look bad if they are worn down at heel or minus buttons or tidy laces. Remember the outward appearance is often an index of a person's character and that one is apt to get "untidy" in one's character when habits of untidiness are indulged in. The tidy girl makes a tidy wife and a tidy mother, and her influence goes far, like the ripples that spread in water after a stone has been thrown in it.

Color Schemes.

If the room is without sun, says the Scientific American, make pale yellow the color key. If it is cold (on a cliff or in the mountains or in shadow of high, neighboring walls), warm it with a blending of mahogany and pink or old rose and old gold hangings combined with a relief of curtains in ivory or ecru tint. If it is sunny, mahogany or other dark woods and blue will give the desired effect. If it is too dark, light it up with maple or white mahogany, with cream or golden brown or with rose tones on the walls, and put some bright blooming plants and ferns about the windows.

Let Common Sense Decide

Do you honestly believe, that coffee sold loose (in bulk), exposed to dust, germs and insects, passing through many hands (some of them not over-clean), "blended," you don't know how or by whom, is fit for your use? Of course you don't. But

LION COFFEE

Is another story. The green berries, selected by keen judges at the plantation, are skillfully roasted at our factories, where precautions you would not dream of are taken to secure perfect cleanliness, flavor, strength and uniformity.

From the time the coffee leaves the factory no hand touches it till it is opened in your kitchen.

This has made LION COFFEE the LEADER of ALL PACKAGE COFFEES.

Millions of American Homes welcome LION COFFEE daily. There is no stronger proof of merit than continued and increasing popularity. "Quality survives all opposition."

Deafness Cannot be Cured.
by local applications, as they cannot reach
the diseased portion of the ear. There is only
one way to cure Deafness, and that is by con-
stitutional remedies. Deafness is caused by
inflammation of the mucous lining of
the Eustachian Tube. When this tube gets
inflamed you have a rumbling sound or im-
perfect hearing and when it is entirely closed
Deafness is the result, and unless the in-
flammation can be taken out and this tube re-
stored to its normal condition, hearing will be
destroyed forever; nine cases out of ten are
cured by catarrh, which is nothing but an
inflamed condition of the mucous surface.
We will give One Hundred Dollars for any
case of Deafness (caused by catarrh) that
cannot be cured by Hall's Catarrh Cure. Send
for circular free.

to boost our average. This is the first
home game since the first of the week
and the two teams should be greeted
with a large crowd.

TEDDY PURCELL

Has Received An Offer From "Kitty"
League—Cairo is After Fast In-
dependent Players.

The Cairo team of the K. I. T.
league would like to secure a number
of stars from the independent league.
Yesterday Kommer, Orlich, Kunkel,
East, Schwartz and Weiden of the Ak-
ron team received telegrams from the
Cairo manager asking for their best
term. The Akron players are satisfied
with their present berth and the mes-
sage offered no temptations to any of
them. They decided to have some fun,
however, and they wired they would
report for \$250 a month and \$250 in ad-
vance. As yet they have received no
reply.

A number of other players, among
them Kerr of Sharon, Quinn and Miller
Zanesville, and Purcell of Newark re-
ceived offers. Cairo is a town of about
12,000, and while it is baseball mad
yet the towns on the independent cir-
cuit look better to the players than
berths in the Kitty league.

**"QUEER" COINS ARE
ARE IN CIRCULATION**

Counterfeit money is thick in Newark at present. Several cases have been reported to the police and an effort is being made to learn the source of supply. The coins which have been pronounced bad are not all of the same denomination, but consist of nickels, quarters, half dollars and dollars.

A customer stepped into a cigar store one day this week and deposited a half dollar on the case in payment for the cigars. When the clerk eyed the coin critically, the man hastily drew it back and proffered other change.

Another case was reported to the police where a man had been victimized by accepting a "queer" dollar. He claimed that he received it at the interurban ticket office. Other cases have come to light at different times and the public should use great care in accepting money that looks suspicious.

Catarrh

Whether it is of the nose, throat, stomach, bowels, or more delicate organs, catarrh is always debilitating and should never fail of attention.

It is a discharge from the mucous membrane when kept in a state of inflammation by an impure, commonly scrofulous, condition of the blood.

Hood's Sarsaparilla

Cures all forms of catarrh, radically and permanently—it removes the cause and overcomes all the effects. Get Hood's.

**THIS MEANS FACTORY
FOR BLACK HAND**

A meeting was called Friday night by the lot subscribers of Black Hand for the purpose of deciding whether the glass factories under discussion for some time, should be brought to that place or not. After the meeting opened it was found that sufficient lots had been subscribed and the enterprise could be secured. F. M. Haynes was then elected chairman. Dr. M. E. Dawson secretary, Felix Claypool treasurer; tellers of election, P. Bralor and George Hawkins. Ross Norman and F. W. Haynes were chosen as a committee to solicit subscribers. Another meeting will be held in two weeks to close the transaction.

NOTED CHARACTER

In Knox County Dies From Blood Poisoning as the Result of a Slight Accident.

Greenville, O., July 8.—Vincent Piers, one of the most noted characters in Knox county, died at 8 o'clock yesterday morning at his home one and a half miles north of this place. Death was due to blood poisoning. Mr. Piers was a soldier, and while serving in country in the civil war was badly injured, the bones of one of his arms being removed as a result. He was about 81 years of age, but up to his last illness he had enjoyed good health. He leaves several children. The funeral was held today from St. Luke's church, Danville, and burial was made in the Catholic cemetery.

NEW R. F. D. ROUTE

Residents of Licking and Muskingum Counties Will be Equally Benefitted.

Another rural free delivery route has been added to the 62 already in operation in Muskingum county. The new route will be No. 63, and will extend from the Black Run postoffice, on the Pennsylvania railroad, between Frazeysburg and Newark, through a part of both Licking and Muskingum counties. Operation of the new route will be started on September 15. Today examinations for eligible applicants for carrier on this route will be held at the postoffice in Zanesville. This examination will be conducted by Frank Chester, secretary of the civil service commission of the government.

**SHE LOOKS TWENTY YEARS
YOUNGER.**

How a Newark Woman Shook Off the Hand of Time and is Young Again.

"We don't need to speak her name," said the Wiles-Erman Drug Co., last week, "for you'll know who we mean when you next see her. Why, we never knew a woman's appearance to be so changed and improved. Her complexion is now as fresh and beautiful as a young girl's, her step is elastic and her eye has the snap and sparkle that goes with perfect health. And we are partly responsible for it," continued the druggist, "for we recommended what transformed her from a woman of forty to a girl of twenty. What is it? Well, it is Dr. Davis' famous prescription, Laxakola Tonic Tablets, and when we heard of it we immediately ordered a large supply. And the way they tone up the system, clear the complexion and rejuvenate the whole body is surprising. They are a gentle laxative, promoting an easy, natural action of the bowels and carrying off all waste matter that way instead of letting the poison come through the skin. There isn't a woman in town who can afford to be without Laxakola Tonic Tablets, for they cost only 25 cents a box, and if they don't do all that is claimed we pay her money back."

DECORATIONS

Soon to Begin Work on Interior of the Auditorium—Trustees Hold a Meeting.

The trustees of the Auditorium building held a short meeting Friday afternoon when the certificate of appointment of Judge Jonathan Rees as one of the trustees was read and accepted. Secretary Dan L. Jones was authorized to advertise at once for bids for the painting and varnishing the woodwork of the building.

By the middle of next week the steel ceiling will have been completed and the Auditorium will be turned over to the contracting decorators for their part of the work. When the repairs are completed, the Auditorium will present as handsome an appearance as any theatre in the state. This will prove to be welcome news to the many theatre goers who are already anticipating the pleasure of the many good attractions which the managers, Messrs. Johnson and Matthews, will offer during the approaching season.

PREPARING FOR THE BATTLE

Democratic State Central Committee Will Meet in Columbus Next Friday When an Executive Committee Will be Selected--Democracy of Ohio in Fine Fettle for the Coming Campaign.

Columbus, O., July 8.—Next Friday the new Democratic state central committee will meet in this city to perfect arrangements for the campaign. The meeting will be one of extraordinary importance, since the committee will not only organize itself but will create the state executive committee and substantially determine the issues as well as the policy to be brought forward most prominently between now and November.

The members of the state central committee, named here in the order of their districts, are W. J. McDevitt of Hamilton county, Henry Ketter of Hamilton, Theodore Lish of Montgomery, Charles Kolbe of Mercer, Earl Ferguson of Van Wert, M. R. Deaver of Clinton, Henry Kampf of Miami, Homer Southard of Union, Alonzo Riley of Lucas, G. B. Nye of Pike, Virgil C. Lowry of Hocking, Fred J. Heer of Franklin, John E. Diemer of Seneca, Frank Harper of Knox, Henry L. Buell of Muskingum, D. C. Creamer of Belmont, E. W. Clayton of Licking, D. D. Kirby of Columbiana, David Rockwell of Portage, C. W. Lapp of Cuyahoga and J. P. Madigan of Cuyahoga.

As to the organization of the committee nothing definite is known. It will be a deliberative body and no person will attempt to dictate to it. Former Chairman Benjamin F. McKinney of Marietta is not a member of the new committee. When the old committee organized his nearest competitor for the chairmanship was Frank Harper of Mt. Vernon. It would be no surprise if Mr. Harper should be chosen to preside over the new committee, although it is not known that he is a candidate for the honor. J. P. Madigan of Cleveland is likely to be retained as secretary.

The central committee will not only select the executive committee to conduct the campaign, but will name its chairman. The only candidates for the latter position thus far named are ex-State Senator Nichols of Clermont county and Congressman Harvey C. Garber of Darke, who is at present chairman of the state organization committee. The latter will die a natural death on the appointment of the executive committee, but a successor to it will probably be provided for after the election. For secretary of the executive committee Colonel W. A. Taylor of Columbus is likely to be named. He is at present secretary of the state organization committee and has for months performed most valuable service in that capacity.

Hon. John M. Pattison, the Democratic nominee for governor, is expected to attend the meeting Friday. In conversation with your correspondent following the state convention Mr. Pattison said that he had the utmost confidence in the personnel and political sagacity of the new state central committee, and, although he proposed to attend their first meeting, he would have no commands to issue. He considered the committee competent to adopt its own and wise measures for the campaign and would only come here to confer with its members and with the new executive committee after its appointment. It is expected that prominent Democrats from all parts of the state will be here on this occasion and Mr. Pattison will be glad to meet and consult with all of them.

In the state convention Franklin county voted for John G. Welby on both ballots, but this was entirely without prejudice to Mr. Pattison. The support which the nominee for governor and the entire state ticket will receive from the Democrats of Columbus and Franklin county will not be perfunctory; it will be sincere and enthusiastic. Not a few of Mr. Welby's former most ardent supporters now express themselves as convinced that Mr. Pattison's nomination

was the trump card looking to Democratic victory.

The mayoralty contest in Columbus will add greatly to the interest of the campaign. It is probable that ex-Congressman DeWitt C. Badger of Columbus will head the city ticket. He will be an ardent advocate of Pattison. The leaders of the campaign in the county will be Probate Judge Samuel L. Black and Sheriff George J. Karb, both candidates for reelection to second terms. They are two of the ablest campaigners in Ohio. Both will keep Pattison and the state ticket to the front and the entire Democratic organization in this county will play the state and county tickets together. There will be no shirking in this performance and on that account there is every probability that the county will reverse the plurality of 3599 given Governor Herrick two years ago and land in the Pattison column.

All indications now point to a happy solution of Democratic problems in this campaign. The factionalism that the late years has hung like a pall over the State Democracy will be entirely eliminated. The party leaders will act together for the whole ticket and against the Republican machine in every county. This fact will be amply demonstrated when the names of those who will bear the burden of the contest on the stump are announced. They will include all the orators of state reputation who have espoused the Democratic cause in the past campaigns, whether they were formerly agreed on certain issues or not—gold Democrats and silver Democrats, advocates and opponents of public ownership, so-called "radicals" and so-called "conservatives." It is also significant that the Democratic press of the state is a unit for the ticket and the cause. There is not a discordant note anywhere. No such condition has prevailed in Ohio since 1896 and it will be remembered that the Democratic vote of that year was the largest ever cast in the state. This year, with no national issues at stake and with Republican disaffection apparent everywhere, the prevailing Democratic harmony is a distinct augury of victory.

There can be no doubt that the Republican managers are seriously alarmed over the situation. Secretary John R. Mallory of the Republican state executive committee is preparing to open the state headquarters immediately. Chairman Dick will be on the ground a month earlier than he was ever known to come before. In the state house it requires no political expert to ascertain that the atmosphere is laden with apprehension. It is in the secretary of state's department, the auditor's department, the treasurer's department—wherever state politics is uppermost. It has penetrated to the executive department and no men in Ohio hold the result of this election in greater doubt than those who are closest to the governor. The key to victory is Democratic unity, and the Republicans know it and fear it.

The Ohio Democratic Editorial Association will meet in this city coincidentally with the Democratic state central committee on Friday. This will be the annual meeting and officers and an executive committee will be elected for the coming year and plans formulated for the campaign. The officers of the association since its foundation several years ago have been J. H. Newton of Newark, and N. E. Arnold of Marion. It is expected that many editors will attend this meeting, which will undoubtedly add special interest to the other important events of that day.

DR. F. A. WILBER

Of Mt. Vernon is Called to Chair of Biblical Study in State University of Kansas.

Mt. Vernon, O., July 8.—The Rev. Francis A. Wilber, D. D., pastor of the Presbyterian church of this city, will tender his resignation next Sunday morning to the members of his church. The first week in August he will leave for Lawrence, Kansas, where he has accepted the invitation to the chair of Biblical Study in the State University of Kansas.

Rev. F. A. Wilber came to Mt. Vernon in the month of January, 1888, from Omango, Ill., and he is the "pioneer pastor" in the city. The members of the Presbyterian church regret exceedingly that Rev. Wilber and the members of his family are soon to leave Mt. Vernon. The pastor was loved and honored by the people of his church and his departure will be keenly felt by the church members and the city of Mt. Vernon will at the same time lose a good citizen. Dr. Wilber has been a prominent factor in an endeavor to attain better and purer morals for the city, and has labored conscientiously towards that end.

Rev. Mr. Wilber expects to move his family to Lawrence about the second or third week in August.

THE REAL TEST.

Of Herpicide Is In Giving It a Thorough Trial.

There is only one test by which to judge of the efficiency of any article and that is by its ability to do that which it is intended to do. Many hair wigors may look nice and smell nice, but the point is—do they eradicate Dandruff and stop falling hair?

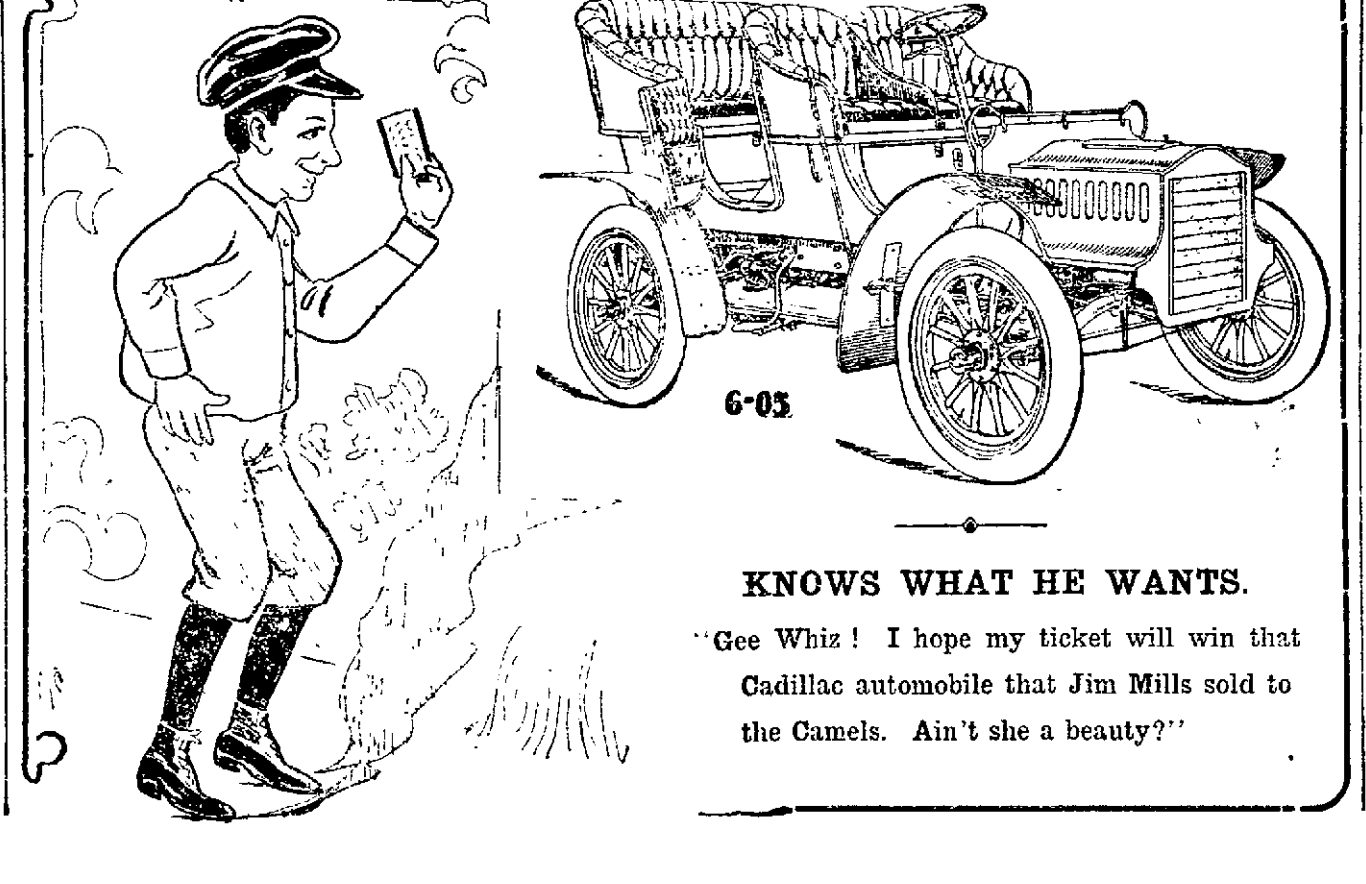

No, they do not, but Herpicide does, because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.

Letters from prominent people everywhere are daily proving that Newbro's Herpicide stands the "test of use."

It is a delightful dressing, clear, pure and free from oil or grease.

SOCIETY WOMAN OWNS A SALOON

Mrs. E. C. Broadbent, of Philadelphia, to Run a Hotel for a Living.

Philadelphia, July 8.—Rather than live with her husband, whom she accused of infidelity, Mrs. Edward C. Broadbent has given up her high social position in Philadelphia and gone to Clarksboro to run her bread and butter as proprietress of a saloon and hotel. Broadbent is a son of Samuel W. Broadbent, of the Broadbent Company, No. 1417 Chestnut street.

Mrs. Broadbent was a Miss Colehow, a family of prominence in the city, and about ten years ago was wedded to Broadbent. They lived together happily for several years. Then Mrs. Broadbent heard whispers of scandal in which her husband's name was connected with that of the wife of a well-to-do business man. At first she refused to credit what she heard, because she had confidence in her husband, and because the woman in the case had been a girlhood friend, but matters at last got so bad, she says, that she could no longer close her eyes to what was going on.

She professes to have kept watch and gathered sufficient evidence on which to sue for divorce. The action was brought some time ago and there have already been two hearings before the master in the case. Lawyer Geo. E. Brooks, of No. 615 Walnut street. An effort is being made to keep the proceedings secret for the sake of the husband and children of the woman whose name has been drawn into the suit.

It is now three years since Mrs. Broadbent made up her mind that she could no longer live with her husband. Having only slender means at her disposal, she decided to embark in the Clarksboro enterprise, so that her money would bring in a sufficient income to make her absolutely independent of the purse of her husband.

She has refused to make any explanations to those of her friends who have expressed surprise that she should become owner of a saloon.

The many friends of Mr. and Mrs. John Bradley, formerly of this city, will be interested to learn of the marriage of their daughter, Myra Louise, to Mr. Charles Henri Labbe, June 28, at Bridal Veil, Oregon. Mr. and Mrs. Labbe will reside at Portland, Ore.

Mr. and Mrs. C. L. Gahke delightfully entertained a number of their friends Thursday evening at their pleasant home on Hudson avenue. The rooms were artistically draped with flags, and each lady was presented with a small flag representing different countries, and each gentleman was presented with a fire cracker, and when the fuse was pulled out, contained the name of one of the flags, corresponding to the ones held by the ladies, thus securing partners for the game of finch that followed.

After the game an elegant supper was served to the following guests: Mr. and Mrs. Carey E. Norris, Dr. and Mrs. M. W. Deming, Mr. and Mrs. W. H. Rhoads, Mr. and Mrs. Rixline, Dr. and Mrs. C. D. O'Hara, Mr. and Mrs. John Kiger, Mr. and Mrs. E. H. Franklin, Dr. and Mrs. Boyer, Mr. and Mrs. J. C. J. McGough, Dr. and Mrs. F. M. O'Hara, Mr. and Mrs. J. S. Rugg and Miss Ethel Deming.

A very enjoyable picnic was held at Rain Rock on Tuesday, July 4th, by a number of young people from the Central Church of Christ. The trip was made in Hurlbaugh's wagon. After arriving at the rock a fine dinner was served, which was prepared by the ladies of the party. The afternoon was spent in viewing the beautiful hills and rocks of the surrounding country. At a late hour all returned to the city, after enduring a few accidents, which were not serious, all being well pleased with the day's outing. Those that enjoyed the day were the Misses Pearl Honenberger, Daisy Honenberger, Kate Honenberger, Mabel Cochran, May Gidley, Lillian Patterson, Lizzie Armstrong, Tinnie Kennett, Abbie Harris Maude Jarvis, Clara Kennett, Madge Kennett, Mazey Gary, Lizzie Swigert, Messrs. Robert Beency, Delno Strothers, Charlie Cleberry, John Nichols Harvey Dixon, Delmer Nichols, Carl Amerine, Ira Starrett and Samson Nichols.

The Alfreita gave one of their enjoyable dances at Buckeye Lake Friday evening. The special car left Newark at 7:30 o'clock and dancing was indulged in until 12 o'clock. Among the dancers were: Mr. and Mrs. Charles Smith, Mr. and Mrs. Charles Rhoads, Mr. and Mrs. J. Howard Jones, Mr. and Mrs. George Graesser, Mr. Albert Rosebrough, Misses Ruby Jones, Josephine Veach, Mabel Phillips, Mary Haight, Lucille Harrington, Mabel Miller, Stella Howard, Lulu Mae Barriek, Jessie King, Dorothy Kibler Roxie Allen, Amy Everett, Florence Fulton, Lillian Latimer, Mary Baldwin, Ida Moore, Edith Upson, Mae Hale, Addie Jones, Ethel Brillhart Cassie Hillier, Miss Faye Marlow of Granville, Miss Myrta Stevenson and Miss Maxwell of Columbus, Messrs. Charley Flory, Jesse Elliott, Kilbreath Schaffer, Ed. Miller, Louis Daerr, George Flory, Ralph Davis, Lockwood Norton, Joe Pugh, Harry Browne, Verne Priest, Allen Jones, Howard Brillhart, Sam Brown, Dr. Corne. Lynch, Fred Gleichauf.

HOLMES OUSTED

From Government Service on Charge of Falsifying Crop Reports.

New York, July 8.—A Washington dispatch to the Herald is as follows: Secretary of Agriculture Wilson, acting on the report of the secret service officers who investigated the cotton crop report scandal, has summarily dismissed Edwin S. Holmes, associate statistician, from the government service.

Holmes is dismissed on charges of having sold advance reports of the cotton crop to New York speculators, and of having falsified the figures in such a way as to aid persons who had bought or sold cotton and carried a large number of bales on his account.

Holmes has amassed a comfortable fortune. When questioned as to how he got his money he said he made it through a friend who met him on a

"Y. Onle Cheshire Cheese," a famous London hostelry, among whose customers in bygone days were G. D. Smith, Johnston, Boswell, Thackeray and Dickens is to come into the market.

B. P. O. E.

The annual reunion of the National Grand lodge of Elks will be held at Buffalo, N. Y., beginning on Monday and continuing throughout the week. This promises to be the biggest and best reunion ever held by the Grand lodge of Elks. The membership of this remarkable order is increasing very rapidly and the interest grows even faster than the membership. Buffalo, N. Y., is an especially attractive place for such a meeting, with Niagara Falls and other grand scenery in the immediate neighborhood. The city of Buffalo has raised an entertainment fund of \$60,000 with which to entertain the thousands of Elks who will be present from Maine to California. Past Exalted Ruler Ernest T. Johnson is the delegate who will represent Newark lodge at the Grand lodge meeting next week, and Dr. G. H. Woods is the alternate. A number of other Newark Elks will probably attend the reunion.

Knights of Pythias.

A letter received here from Grand Chancellor William F. Bruce of Mt. Glead, has set the mark for the coming year in K. of P. work at \$9,000. Last year the membership under the bustling work of Grand Chancellor Bruce reached 75,000, and the Knights this year are hustling all over the state. White Cross lodge of Johnston, was the banner lodge in Licking county, for increase of membership, and if all the lodges in the county will do as well as Johnston, Licking county will be the banner county in the state.

The Sunbury Knights of Pythias have purchased a lot in the business section of that village and will at once proceed to erect a fine two story brick building, the upper rooms to be used as Castle Hall and the lower rooms for mercantile purposes. A committee of Knights from Sunbury was here Monday inspecting the Castle Hall of White Cross Lodge—Johnstown Independent.

All members are earnestly requested to be present at the regular stated meeting Monday night, July 10, as Grand Regent Franklin Rubrecht will be present.

NEWARK AMONG CITIES VISITED

BY U. S. MARSHAL FAGIN AND HIS DEPUTIES ON LOTTERY RAID.

Several Lots of Tickets and Quantity of Literature Were Found in This City.

Cincinnati, O., July 8.—The recent raid conducted by United States Marshal Vivian J. Fagin from the Attorney General, to raid all of the lottery offices in this, the Southern Federal Judicial District of Ohio, have been thoroughly carried out, and yesterday morning Marshal Fagin forwarded his report to District Attorney Sherman T. McPherson, who in turn has forwarded the matter to Washington, from whence it will be sent to San Francisco, Cal., where the prosecution against the lotteries was originally begun. The latter point is the headquarters for several of the biggest lotteries in this and foreign countries, and hence the prosecutions there. Whether any of the local agents through the country will suffer the same fate cannot be foretold.

Marshal Fagin was told to visit 24 agencies in this district and he located nearly every one of them. The places visited were as follows: Martin's Ferry, Zanesville, Newark, Cambridge, Lancaster, Circleville, Chillicothe, Middletown, Hamilton, Springfield Dayton, Xenia, Bellefontaine, Piqua, Steubenville, Urbana and Bellair.

At Martin's Ferry, Newark, Cambridge and Springfield the deputies secured several lots of tickets and advertisements from the express companies before they had been delivered to the consignee. Several hundred tickets were secured, besides a wagon load of pamphlets, correspondence, literature, etc.

RAPID TOWN BUILDING.

Details of a Coal Company's Scheme in Colorado.

No better example of the way Colorado towns spring up in a night can be found than in the present plans of one of the great coal companies of the state, says the Denver Republican.

The company has let the contract for the construction of an entire village to be established in the coal fields sixty miles north of Denver. Thirty cottages to cost \$600 each, four houses for officials to cost \$2,500 each and a general store and boarding house to cost \$5,000 will be erected at once.

Streets will be graded and surfaced, sidewalks laid, gardens provided, small parks constructed, swimming pools for the miners built and an electric lighting and water plant placed in operation before a permanent resident will be allowed to enter the town. The whole investment will approximate \$100,000.

Costly Whaling Station.

Modern whaling is exemplified in a scheme in operation at Sechart, on the west coast of Vancouver island, where a whaling station, which cost \$30,000, has recently been established, says a San Francisco dispatch to the Kansas City Star. One hundred men will be employed in transforming the carcasses of whales into various profitable products. Every part of the leviathan is utilized. The whales will be caught by the modern steam whaler Orion, recently arrived from Europe, which will cruise about off Sechart, where whales abound. Instead of using small boats in the chase, the whales will be harpooned by modern devices from the deck of the Orion, and patent reels and special winches will help to take care of the whale after he is conquered.

REFUSED LIFE INSURANCE

I Was Afterward Cured by Thompson's Barosma, Kidney and Liver Cure.

I had been confined to the house with Kidney complaint for seven weeks and was most of the time in bed. Some time before I had been refused life insurance, as I was told I could not live many months. I began taking Thompson's Barosma, Kidney and Liver Cure, and I am happy to make the statement, which my wife will affirm, that five bottles of Barosma completely cured me. Also I refer to any of my neighbors as to the above facts.—Oason Horning, Townville, Pa.

Thompson's Barosma works like magic—a strong statement, but one borne out by thousands of authentic testimonials. Thompson's Barosma 50c. and \$1.00.

GREATEST PROGRAM OF RACES EVER RUN IN LICKING COUNTY.

Will be Offered For Mid Summer Race Meet at Idlewild Park July 13 to 16 Inclusive.

Beginning next Tuesday, the Newark Driving Park company will start a four days' program of races at Idlewild park which now promises to be the greatest race meet ever held in Licking county.

The men in charge of the event have been working hard for several weeks past and their efforts have been crowned with the greatest success. A list of more than one hundred horses will be published Monday. All the entries were not received at noon Saturday, and it was impossible for the secretary to prepare the official list for publication today.

In speaking of the race meet, one of the members of the company stated that next week's meet would bring the largest number of horses to Newark ever seen on the local track. More horses have already been entered than can be accommodated with stable room on the grounds.

The nearest cities who will compete directly with the local race meet next week are Sandusky and Butler, Pa. This makes it possible for the local horsemen to offer to the Newark public a most excellent program.

Every class has been filled. Entries were expected yet this afternoon from Iowa and other points. Yesterday six car loads of horses arrived in the city. Two car loads came from Canton, one each from Elwood, Ind., and Bowling Green, and two car loads from Cambridge.

The management has made arrangements to admit all ladies free to the races on the opening date, Tuesday, July 13. The ladies should show their appreciation of this courtesy from the horsemen by a big turnout and help to make the first day's event a big success.

HARTER HAS NOT BEEN ARRESTED

Willis Harter, the McKean township man against whom a state warrant has been filed for assault to kill, is still at large. Chief of Police James Sheridan went to Hebron Friday afternoon, where it was reported that Harter had gone. The officer could not locate the man and the trip was fruitless.

Harter is supposed to be at his home in McKean township. It develops that it was not his mother-in-law whom Harter assaulted, but that it was his mother. Mrs. Peck has been married three times and Harter is a son by her first husband.

WATER SUPPLY OF OHIO CITIES

STATE BOARD OF HEALTH WILL COMPEL THE NECESSARY IMPROVEMENTS.

New Institution Suggested to Replace the Present Penitentiary—Small-pox Situation.

Columbus, O., July 8. — In its annual report to the governor the state board of health suggests that the time is at hand when the state should consider whether she is not justified in compelling a city to act where conditions have been permitted to arise such that the lives and health of its citizens are imperiled by a poor water supply. The report says: "A city exists only by right of the state. In extreme cases the state might even withdraw its charter. If the state can interfere to stop a prizefight, why should it not prevent the use of a death-dealing water supply?"

Referring to the smallpox epidemic in Ohio, which began in 1898 and reached its height in 1903, the report says that the state is now practically free from the disease. Vaccination is held largely accountable for its eradication. An elaborate report is made of the conditions at the Ohio penitentiary, and the board strongly urges the construction of a new institution, to be constructed along the most approved sanitary lines.

Developments in Holzman Case.

Cincinnati, O., July 8.—In the Ross Holzman case it developed that Holzman had borrowed no less than \$200,000 during the past four months, giving all kinds of collateral, most of which he held in trust for others, as securities. It is estimated that this collateral possessed a par value of not less than \$500,000, and that nearly all of it belonged to persons in no way connected with the brokerage firm of Holzman & Company. It has also developed that the departure of Holzman was hastened by the threats of one of his customers to kill if he did not within 24 hours pay back a loan of \$5,000.

Protected Negro's Wife.

Nelsonville, O., July 8.—At Doanville, six miles southeast of here, Clarence Wort, a colored barber, was killed by Fred Spray, the manager of a saloon. Wort had trouble with his wife and the latter went to the Spray home for protection. Wort followed and attempted to gain admittance, which, however, was denied him. Returning to his home, he armed himself and proceeded to the saloon where Spray was employed, and pulled a gun on the latter. The weapon missed fire and Spray, grabbing his own shooting iron, sent a bullet through Wort's heart.

Airship and Auto Socials.

Clyde, O., July 8. — The women of Grace Episcopal church have advertised an "automobile social" for next Wednesday evening. The Elmore company has donated the use of several automobiles. The first course will be served at the residence of Dr. Whittemore and the dinner and dessert courses at other residences in different parts of the city. The Presbyterian women, not to be outdone, propose to give an airship social. They want to secure the services of Roy Knabenshue and his airship.

Struck by Car.

Columbus, O., July 8. — While attempting to board a streetcar, Dr. D. Van Buren Burkett, a local physician, was struck by a trolley coming from the opposite direction and fatally injured. He has been married only three months and the bride is prostrated.

Harper Will Be Chairman.

Cleveland, O., July 8.—Congressman Garber was here, and it is announced the state central committee will make Frank Harper of Mt. Vernon its chairman. J. P. Madigan of Cleveland will be elected secretary of the state central committee.

Injuries Proved Fatal.

Thrown From Horse and Killed.

Lancaster, O., July 8. — Frank Thomas, 60, formerly of Straitsville, was thrown from the saddle while breaking a colt and killed. The horse stepped on his head, fracturing his skull, and death soon resulted.

Sunday matinee, Idlewild, 2:15.

AMUSEMENTS

Friday night's performance of Fra Diavolo at the Idlewild theatre scored a big hit and was generally pronounced much more successful than the Thursday night performance. One great improvement was in the stage setting for the first act.

Miss Emmett sang "Zerlina" exceptionally well, and Charles Wallace in the role of "Lord Alcazar" made a decided hit. Mr. French in the role of "Fra Diavolo" also showed marked improvement over Thursday night. His fall in the last act was very gracefully done and was worthy of good applause.

From the highest of comedy to the terror and fear of a cowardly outlaw is no small step to be taken successfully, but such is done by Mr. Montjoy Walker in the last act. Mr. Walker's work
